SHIPMENT OF RADIOACTIVE MATERIAL - FORM I:

FAILURE TO RETURN THIS FORM WILL MEAN THAT YOUR ORDER WILL NOT BE SHIPPED.

Due to the alteration of export regulations for radioactive material in Germany, BERTHOLD TECHNOLOGIES must now complete a form stating that the company accepting shipment of the radioactive material has a valid license in accordance with the radiation protection regulations of the country of import.

Before delivery of the equipment can take place, we must ask you to read the text below and return the signed form to us by fax/post prior to delivery of the equipment. We regret, failure to return this form will mean that delivery cannot take place.
